

Computer Classrooms for Your Training Event

You provide the students and instructor...
We do the rest.

We have twelve PC equipped classrooms which can accommodate 10 to 70 students.

We provide on-site technical support and administrative assistance to help ensure the success of your training event.

Our facility is ideally situated in the heart of the Eastside high technology corridor, just off SR 520 and Interstate 405. We are 15 minutes from downtown Seattle and 30 minutes from Seatac International Airport.

We love to show off our facility, so call us or email to arrange a tour.
